PROFESSIONAL PROFILE

I am a Salesforce Certified Professional and Trailhead Ranger with one year of experience in declarative and programmatic development. I enjoy learning continuously and working in multicultural environments.

My Salesforce certifications include Associate, JavaScript Developer I and I am in process to obtain Administrator certification. I have also earned Salesforce Trailhead Superbadges, including Business Administration Specialist, Lightning Experience Reports & Dashboards Specialist, and Lightning Web Components Specialist. You can refer to my complete Trailblaze.me Salesforce Profile, and I would be happy to connect with you at https://trailblazer.me/id/rodrigoleonr.

Prior to starting my career in Salesforce and Web development, I earned a bachelor's degree in Mechanical Engineering and worked for nearly two years as a project manager in the Oil and Gas industry. During this time, I developed soft skills such as assertive communication, teamwork, and attention to detail.

Today, I am passionate about continuing my professional career in the Salesforce Ecosystem and expanding my knowledge of this fascinating industry.
